Welcome to the Tough Talk Radio Network Community!!!!

We are excited to have you as part of our “family”. Please let us know if we can ever help you in any way. We at Tough Talk Radio Network like to make sure that our hosts know up front that we have an open line of communication so please don't hesitate to let us know if you need anything from our end.

Following are the things we need to get you started with your show.

- 1.) Name of your show and 2-3 sentences of what your show is about.
- 2.) Verbiage for your 30 second commercials about your services and your show (90 words or less)
- 3.) 6 questions that you would like your guests to answer on your response/registration form. This should be information you want to know about your guest.
- 4.) A bio and jpg Picture of you for the website and a website(s) link that you would like on your page, if any.
- 5.) Day and Time you would like to do your show. We will check for availability, please give at least 2 choices.
- 6.) Blog for the site - Optional, but recommended as it helps market you further.

We will work on a logo for your show. Would you like your picture as part of it? Any specific colors? You can get some ideas at ToughTalkRadioNetwork.com if you're not sure. (If you already have one we can use it)

If you have ANY questions about any of this please give us call or shoot us an e-mail.
